Many people use cable cars and lifts to climb Mt. Takao. Thus the lines are long during the busy season. Many people climb the mountain via Route 6, which is a gentle forest road.

On a clear sunny day, weather permitting, you can see Mt. Fuji from the observation deck.

There is a Beer garden named Beer Mountain next to the cable cars of Mt. Takao station. It's a great place to enjoy beer and watch the city lights at night. It is a popular night time place to hang out after a long day at work.
